To the teacher: Our student body comes from numerous academic backgrounds, so students can expect to be integrated with others of various aptitude levels and curricular structures from their sending schools. The World History course aims to cover material that most sending schools include on their syllabi this semester. **Please provide The Outdoor Academy with a copy of the syllabus for the semester**, including any significant assignments or projects. If a World History text dictates the material your class covers, please photocopy the Table of Contents of the text and attach it to this form. We appreciate your assistance in facilitating a smooth transition between schools for this student.
