Eagle's Nest Camp provides a community-centered camp experience for our campers. It is very important that the parents and campers commit to the following policies and procedures to help ensure that the camp experience is a happy and healthy one for all members of our camp community.

Reasons for immediate or probable expulsion without refund:

1. Any camper or participant who is found in possession of or using illegal drugs or alcohol or in possession of any firearm during a course or camp session or Hante will be expelled from the Eagle's Nest program immediately. The student will be expelled at the participant's expense, without refund of tuition.
2. Any camper or participant involved in inappropriate sexual behavior, harassment or bullying of any kind is liable for expulsion from the program without refund.
3. Any camper or participant found to be using or being in possession of tobacco products, e-cigarettes, or vaporizers is liable for expulsion. Tobacco and vapor products use by campers is illegal and is not tolerated at Eagle's Nest. The Eagle's Nest campus and all Eagle's Nest sponsored programs are smoke free for all staff, students, campers and guests.
4. Any camper or participant who disregards ENF regulations is liable for expulsion from the program without refund. Any conduct that jeopardizes safety, causes injury to the camper or others, is illegal, or could damage ENF's reputation may result in expulsion from the program without refund.
5. Any camper whose therapeutic or health needs that Eagle's Nest determines cannot reasonably and safely be supported by camp.

I agree to abide by Eagle's Nest's regulations for campers and to read the policies before camp attendance. I will not possess or use firearms, tobacco, e-cigarettes or vaporizers, alcohol, drugs or controlled substances not prescribed by a physician. A violation of any regulation would be a ground for my expulsion, without refund, from the Camp/Hante.
