

Added Adventure Participant Questionnaire

An Added Adventure is an excellent opportunity to explore the natural world *outside* of Eagle's Nest Camp. Using your and your parent/guardian answers to these questionnaires, we will be choosing a small group of campers to go on this adventure. Take a little time to imagine what you think this trip might be like and why you think it would be a good adventure for you. As you answer these questions, imagine the feeling of warm sun on your back or the starry skies over your camp-site. Once you've finished, give this form to one of your parents or guardians so that they can upload it to CampDoc by November 15th. We will let you know our decision by early December. Thank you!
