

Eagle's Nest Staff Suggested Packing List

Some things to keep in mind when packing for the summer:

1. You will work hard and get dirty, so leave delicate clothing and jewelry at home.
2. The weather varies greatly from night to day, so bring layers!
3. Personal storage is limited to one set of four small shelves per staff member and underneath your bed.
4. It is much easier to keep your area clean if you limit your packing to the necessities!
5. It's a good idea to label your clothes .
6. Keep it simple and lean more towards under packing than over packing. You really don't need as much as you think you'll need.
