Course Registration Form: Fall 2026

Course Registration & Transcript Information for a Semester Block Schedule

This form is for students whose sending schools follow a schedule best described as a **"block semester"**. This means that most core classes cover a year's content per semester and classes change between semesters. OA will therefore give the student a full-year or "block" credit for each course on their official OA transcript unless an alternative credit weight is approved by an OA administrator. You can view our Curriculum Guide for a full description of each course.

Course Group A: Honors English, Honors Environmental Science, and Honors World or US History. All students get to take these three courses.

Course Group B: Honors Spanish, Math, or Independent Studies. Students may take either one full credit of Spanish or two half credits in this category. If you are unsure which to choose, please contact the Admissions Director or Academic Dean to consider your curricular options, such as OA's unique **Nature Writing** elective.

Course Group C: Art, PE, and Health/Wellness. Don't worry, you will participate in all of these activities! Please choose one of them to receive a full credit for, or two for half credits.
