Course Registration & Transcript Information: Traditional Block

This form is for students whose sending schools use a schedule best described as a **"traditional block" setup**. This means that most core classes cover a year's content per semester and classes change between semesters. OA will therefore give the student a full-year or "block" credit for each course on their official OA transcript unless an alternative credit weight is approved by OA's Dean of Academics.

Instructions

All of The Outdoor Academy's courses are taught at the honors level and will be credited as such.
