

Hante Spain 2024 Clothing and Equipment List

Purpose and Considerations

Packing for your Hante trip should be done with care to ensure you have all of the necessary clothing and equipment for a safe and fun trip. Our goal is that each participant can pack all their belongings (both for the hiking portion and the cultural portion) in their main 40 liter pack. This will leave you hands free and easily mobile as we navigate the airports, cities, buses and trains through Spain. What this also means is that everyone should carefully examine their packing list and make decisions on their personal equipment that will make this possible. Each item on this list has been carefully selected and is required, unless noted optional. Please be mindful to pack clothes for multiple uses - synthetic materials, for example, are great for staying dry, clean, warm, and cool for a days of use.

Eagle's Nest Foundation Gear Lending Library

Thanks to the generosity of Eagle's Nest Camp, Hante, and Outdoor Academy alumni and donors, we have a supply of outdoor clothing and equipment to lend for your trip. If obtaining the items on this list poses a challenge for you, please reach out to Ed Haubenreiser (ed@enf.org). We will work with you confidentially to provide as much as we're able.

How to Find What You Need

1. **First, use gear you already own.** Most of the clothing/equipment you need you likely already own.
2. **Go to a thrift store or second hand outdoor gear shop!** Your local thrift store or used outdoor gear shop is a great place to buy basic items like fleece, long underwear, long sleeve shirts, and shorts. With the added benefit of not being afraid to beat it up a little!
3. **Visit your local outdoor store.** For some specific items, such as boots, it is immensely important to try things on to get the right size and fit.
4. **Shop online to find discounts.** Websites like REI Outlet, Backcountry.com, Sierra Trading Post, and Steep and Cheap, all regularly have sales or offer discounted prices.

Additional Considerations

- **Money:** We are asking participants to bring no more or less than €300 or \$400. This is to create equality towards personal spending, whether it's souvenirs or treats that are not already covered in the Hante price. Common essentials (meals, water, accommodations, etc) are already included.
- **Electronics and Cell Phones:** We will be collecting all electronics, including cell phones, on opening day. They will remain off and stored for the duration of the trip on campus, and then returned to participants when they arrive at CLT from Spain. This is to ensure participants can fully engage and enjoy their Hante experience. Throughout the course of the Hante, our instructors will be communicating with Eagle's Nest to give updates, including when all have arrived safely. Eagle's Nest is not responsible for any damage incurred to stored electronics. Cameras are acceptable.
- **Packing:** Please only pack what is on the list, space will be limited! There will be opportunities to wash clothes at most places. Brands are listed for guidance, but are not a requirement to fulfill the packing list.
- **Label!** Chances are, someone else will come with similar gear. Labeling is also helpful in the event you accidentally leave something with us.
